

Rubber on roll

Material composition

Recycled rubbergranulate bonded with PU binder.

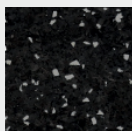

Sizes

Width: 1,22 m
Length: 10 m
Thickness: 5 mm | 8 mm

Sizetolerance

±2%
±2%
±5%

Colour

Black with 10 % grey EPDM

Density

1.100 kg/m³

Tensile strength (average)

2,4 MPa

DIN EN ISO 1798

Elongation at break

176%

DIN EN ISO 1798

Shore A hardness

70

DIN 53505

Thermal conductivity

0,14 W/m

DIN 53505

Temperature tolerance

-25 to +80 celsius

for a limited time

Fire classification

Efl-S2

EN 13501-1

Chemical behaviour

resistant to water and UV
not resistant to acids and oils

Guarantee

3 year guarantee for wear-resistance, when used at gyms.
